### MENTORING ~ COACHING

For the past 18 months we have seen great increase in the local area of our mentoring ministry and the need for having a central location where one-on-one mentoring and coaching can take place has become increasingly necessary.

**101 Court Street, Jasper Ga. 30143**

Our [web site directory](#) will direct you to our ministry outreaches, offer encouragement through monthly podcast, our blog, our daily devotions and articles on specific subjects.
